

A Perfect Finish

Wine & Spirits Desserts & Appetizers

About us:

Our concept is to provide a comfortable, yet sophisticated atmosphere where you can relax with friends or share a romantic evening while you tantalize your taste buds and sip delicious and varied libations.

Many of our food and drinks are served as tastings and flights with an emphasis on pairings and tasting new things you may not ordinarily try because of the expense or your unfamiliarity.

The food and desserts can be ordered either as an appetizer or as a small meal such as you may find at a sidewalk bistro in Italy. If you are unsure, please allow us to offer some suggestions or just order your favorites.

Please enjoy and do ask questions as we are here to help.
